

Jimmie Jack's Lodge

River Fishing Guide - Subcontractor

Job Description

The Jimmie Jack Fishing Co. hires only the best professionals in the business. We pay a premium salary for experienced, seasoned guides. A person who can present themselves in a professional manner, prove to us they can be helpful and communicate with our guests by passing on their fishing skills. Our guides must have a U.S. Coast Guard 6-pak license or Remote Waters of Western Alaska license, and be willing to pass the one week Kenai River Guide Academy. Our guides accompany 4 guests each day. Guides must be an expert in fishing, and boat handling on rivers. Most importantly, our guides must be coachable. This is a 7 day a week job with a duty time of 10 to 12 hours a day. We do offer a day off once each 10 days. Our experienced river guides must have river boat experience. We use 20' Willie Boats with 50hp Yamaha outboards. We also operate 20' Willie Drift boats.

The guide will be taking guests on fishing trips. The guide will be responsible for the safe navigation of rivers (power and rowing), teaching of fishing techniques, and will be responsible for routine boat maintenance and cleaning. The guide trainee will also be given odd jobs on days that are not spent guiding: bait preparation, lodge and camp maintenance and cleaning, and other assigned tasks. Most importantly, the guide will insure that each client has an enjoyable day on the water. Guides are team players and are always available to help with any project.
